

VINAYAK VISHWAKARMA

Software Developer

PROFILE

Passionate MERN Stack Developer and Software Developer Intern with hands-on experience in web development and product creation. Proficient in React.js and adept at crafting stunning user interfaces using Tailwind CSS. Committed to delivering exceptional results through innovative solutions and staying up-to-date with the latest industry trends.

EXPERIENCE

Feb 2023 -
Present

Software Developer Intern

Unipolar Technologies Pvt Ltd.

- Developed website design projects using MERN stack technologies, including React, Express, and Material UI, while creatively implementing Tailwind CSS for visually appealing and consistent designs across all devices.
- Optimized web application performance through the strategic use of Tailwind CSS utility classes and custom styling, resulting in faster load times and enhanced user engagement.
- Implemented responsive design principles with Tailwind CSS, delivering a seamless and user-friendly experience across various platforms, including desktop, tablet, and mobile devices.
